THE LION ALLIANCE PRESENTS:

PAM JONES

SUBJECT MATTER EXPERT (SME) FOR THE NATIONAL CENTRE FOR COMPUTING EDUCATION.

3:15PM – 4:45PM ON THURSDAY 29TH FEBRUARY 2024
The Venue, Finham Park School, Green Lane, Coventry, CV3 6EA

FREE MICRO:BIT TRAINING (PRIMARY)

We're pleased to welcome Pam Jones to Finham Park. She's a freelance Computing Curriculum Consultant and developer/designer as well as author (#SBSWinner) and Secondary Computing Hub Lead. Pam works as Subject Matter Expert (SME) for The National Centre for Computing Education.

The BBC micro:bit is an award-winning programmable device that allows students to get hands-on with coding and digital making. Many schools have taken up the opportunity to have these devices in school as it can inspire students to recognise the power of technology in the real world.

"The micro:bit is such a tangible way to develop coding. It's real, it's exciting and it gives my students confidence to try new things and experiment."

MEET THE EXPERT: PAM JONES
